MEDIA DATA 2024 - Digital

connect professional

connect-professional.com
The overarching media brand for the ICT market

In a complex and fast-moving world of information and media, the new connect professional provides comprehensive information about the ICT industry quickly and with the usual expertise. In this way, connect professional is responding to the increasing demand for a holistic view of the ICT market, from the product to the sales channel: whether business decision-makers, channel managers or infrastructure specialists - developments in the ICT market ultimately affect them all.

The claim to have a 360-degree view of these market developments will in future be realized by the enhanced connect professional in its comprehensive reporting at a glance. It is thus the only trade publication that comprehensively covers all areas of the ICT industry.

High credibility. High acceptance.
connect professional is the medium for business IT, telecommunications and all facets of digitization. Its high reach confirms its editorial utility and credibility. Influential ICT decision-makers trust connect professional to inform them about new products, solutions, services and strategies in professional IT and telecommunications. They use connect professional just as intensively as the daily updated .web service connect-professional.de and the connect-professional.de newsletter.
